Eden Marathon Sponsorship Form

The Eden Marathon is on 9th October 2011

We are an ordinary generation with an extraordinary opportunity: to remake our world from top to bottom.

In a world where we are facing immense challenges the Eden Project exudes a spirit of positive change.

Education is key to our planet's future. A generation that does not understand or value the natural world will not strive to protect it. In raising money for Eden's Rainforest Education projects, you are helping us to inspire future generations and building a better future for us all.
