

The Outside Biome

My name is Adam and I am made from metal. Pull the rope to make me rock.

Take a walk up to Myth and Folklore. Can you find this special place?

Can you find the beautiful patterns made from the hemp plant? Draw your own rope fence to join these two pictures together.

I help all the flowers around me. What am I?

How many sculptures can you see outside? What is your favourite?

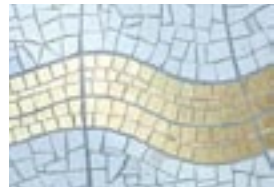

What was your favourite thing of all at Eden?

Eye Spy Eden

When you are on your journey around Eden, can you find any of these leaves?

The Warm Temperate Biome

Follow the golden path past the olive trees.

Use your sense of smell to find the lovely herbs.

Touch

Are the leaves big or small in this Biome?
Gently touch some leaves. How do they feel?

Look

Look up to the roof of the Biome.
Tick the shapes you can see... ✓

How many different fruit trees can you find?
What fruits can you see growing?

Find as many plants as you can that match the colours below.
Write in each box how many you find.

The Humid Tropics Biome

Walk past the big boat that brings us plants from the rainforest that we use every day.
What's in the boxes?

Feel

The plants in here like it to be hot and wet.
How do you feel?

Can you find the name of this plant?
Describe the leaves.
What do they feel like?

Hear

Can you hear water running?
Where is it coming from?

Look

How many plants can you see that give us food?

Tick the boxes when you see these plants ✓

Chocolate

Papaya

Pineapple

Banana
