

LYRICS TO SING ALONG

MUSIC O'CLOCK IN THE MED

Songs inspired by Eden's Mediterranean Biome,
with fun facts about its fascinating plants.

WELCOME SONG

Hello everybody, it's Music O'clock *tick tock*

Ready or not, it's Music O'clock *tick tock*

Hello everybody, it's Music O'clock *tick tock*

Music O'clock tick tock at Eden

Are your hands ready? Clap, clap, clap

Are your feet ready? Stamp, stamp, stamp

Is your singing voice ready? Tra la la la la

Is your whole body ready for what we've got

In Music O'Clock *tick tock, tick tock* at Eden

HEY, MISTER OLIVE TREE

Hey Mister Olive Tree,

How can you get to be so much older than me?

Can you tell me the secret?

Hey Mister Olive Tree,

How can you get to be so much older than me?

Are you one-hundred, two-hundred three-hundred, or four?

Five-hundred, six-hundred seven-hundred or more?

It's hard to believe, but I have been told

That some of you are more than a thousand years old!

Hey, hey, hey,

Hey Mister Olive Tree,

How can you get to be so much older than me?

Can you tell me the secret?

Hey Mister Olive Tree,

How can you get to be so much older than me?

MUSIC O'CLOCK IN THE MED

A BIRD IN A BIOME

A bird in a Biome is a friendly little thing,
A friendly little thing, a friendly little thing.
A bird in a Biome is a friendly little thing,
A friendly little thing.
There's a blackbird on my rucksack,
There's a chaffinch on my chair.
The sparrow has come to say hello
And the robin wants to share my snack
A bird in a Biome is a friendly little thing,
A friendly little thing, a friendly little thing.
A bird in a Biome is a friendly little thing,
A friendly little thing.

CHILLI PEPPERS ARE HOT HOT HOT

Chilli peppers are hot hot hot
Some people like them a lot lot lot
Take a few and go chop chop chop
And drop them into the cooking pot
But after you have gone chop chop chop
If you don't want a shock shock shock
Remember to wash your hands quite a lot
'Cos chilli peppers are hot hot hot!

MUSIC O'CLOCK IN THE MED

I COULD BE IN SPAIN

I've never been to a Mediterranean country
You have to go by train or boat or plane
But I have been to the Eden Project lots and lots of times
And it is pretty much the same
I could be in Italy, I could be in Greece
I could be in the south of France, It's nice in Nice
I could be in Sicily, I could be in Spain
But as soon as I walk back through the sliding doors
I'm in Cornwall again

GOODBYE SONG

Goodbye everybody, I hope you've had fun
New things we've done, and new things we've sung
Goodbye everybody, it's now time to stop
Music O'Clock *tick tock* at Eden
