

# AN INVITATION TO JOIN US

Eden Project  
**PATRONS**

## JOIN US

As an Eden Project Patron you will be joining a movement that is working on transformational projects at home and across the world.

**“Our ultimate mission is to use every means at our disposal to enlighten people about the inter-relatedness of life on Earth, and in that knowledge, shape the cultures and decision-making of people to steward our direction of travel to the benefit of all living things.**

**And to provoke actions of transformation that inspire others to constantly improve the thinking, systems and actions that will lead humanity to live beautifully within the planetary boundaries as best we can define them.”**

**SIR TIM SMIT KBE,  
CO-FOUNDER OF THE EDEN PROJECT**

## WHY NOW

The planet is under threat from human actions endangering its ability to sustain life as we know it. The challenges we face demand the best of us: our creativity, imagination, ingenuity, science, technology and the ability to work together. It is in understanding the extraordinary connections between all the elements of the natural world that the solutions lie.

## WHY EDEN

Eden's mission is to connect people with each other and the living world, and to explore how we can work towards a better future. Our projects transform places and environments, and improve people's lives. Our journey began when we transformed a disused china clay quarry in Cornwall into an award-winning scientific and educational visitor destination operating as a social enterprise.

## WHY YOU

We need people like you, who care about the future of our planet, to help rebuild our relationship with the natural world.

By becoming a Patron you will give invaluable support to Eden's educational and conservation programmes in the UK and overseas.

To say thank you for your support we offer:

## CORE PATRON
